## DETAIL DRAUGHTSPERSON – PURLINS DRAWING OFFICE

### EXTERNAL VACANCY

**Reports to:** Production Director – Purlins and Framing Division  
**Location:** Office based in Oldbury, West Midlands  
**Hours of work:** Monday to Thursday 7.30am to 4.00pm with half hour lunch break each day and 7.30am to 12.30pm with no lunch break on Friday of each week – 37 hours in total, paid monthly

**voestalpine Metsec's Purlins Division is the UK's largest designer and manufacturer of light gauge galvanised steel purlins, side rails and mezzanine floor systems. This permanent full-time position provides the opportunity to the successful candidate to be involved in interpreting customer fabrication details and manually entering / importing this into 'MetCAM' in readiness for production. Customer and sales contact is made on a daily basis.**

#### Person specification

- » An understanding of structures and basic design principles would be an advantage
- » Be well organised, self-motivated and professional
- » Have good timekeeping and attendance
- » Be able to work under pressure to meet strict deadlines
- » Be able to communicate at all levels
- » Attention to detail and accuracy is essential
- » Always be looking for new ways to make improvements
- » Must be eligible and able to prove that you can work in the UK, as the Company does not hold a sponsorship licence.

#### Your responsibilities

- » Interpreting customer fabrication drawings
- » Entering details manually or importing CAM files into our in-house detailing software and checking ready for production
- » Producing or modifying manufacturing drawings to accompany orders
- » Communicating with customers, sales and production.

**Post date:** Monday 15<sup>th</sup> July 2024

**Package:** Competitive salary, Company pension scheme, health cash plan, life assurance and 33 days holiday (including statutory days), discounted gym membership, cycle to work scheme and an employee assistance programme.

**To apply:** We look forward to receiving your CV at [metsec.hr@voestalpine.com](mailto:metsec.hr@voestalpine.com)
